

## Course Learning Outcomes

What will students be able to do by the end of the course?

## University of New Haven

Aligning the components of the course will ensure better course structure online.

Module Learning Outcomes

Assessments Measuring student's learning

Instructional Materials Learning Activities

What will students be able to do by the end of this module?

How will you measure student's ability to demonstrate the learning outcomes? How will students get the information and practice that they need to achieve the learning outcomes?
